Education:

American River College -Political Science

Second City Hollywood- Improv Comedy

Sacramento State- Political Science

Upright Citizens Brigade- Improv Comedy

Work Experience:

Second City Comedy Club

December 2015 to December 2018

Stage Manager: I predetermine what the lights and technical ques are needed for each show, and make sure all the equipment is running well. Also responsible for staffing of different shows.

Starbucks

February 2015 to November 2015

Barista/Barista Trainer: I prepared espresso drinks and other snacks, ran the cash register, organized and prepared the store for opening and closing. I worked to create a warm and welcoming environment, while always patient with the customers. My quick learning and working skills allowed me to become a Baristas trainer within the first 6 months of employment.

Second City

January 2012 to December 2015

House Manager Intern: I managed all the interns and the run times of the shows. It was my job to deal with any problems that occurred in the building, and quell any issues the patrons might have.

Young Actors Theatre Camp

June 2009 to July 2013

Counselor and Technical Dept.

I looked after the kids and dealt with any problems that they had. I assisted in teaching several classes, and I prepared and helped serve food to the kids. I also set up and ran all the speakers, microphones, and other various equipment that we would use.

Skills:

Excellent People person: I'm great at always being able to meet people with a smile, and help them with anything they may need even if they are being a bit unruly.

Great Technical Skills: I am proficient with any computer and technical issues, while always a quick learner.

Great at Multitasking: I'm always great at juggling tasks and still having great customer service.

Dedicated Worker: Whatever I do I always do it 110%, I'm always on time, and I never miss shifts!
